

DOES YOUR BUSINESS SHOW UP WHEN PEOPLE ARE LOOKING?

What is Local Listing Management?

The method of making your business appear in local search engine results, pages and maps

How many hours would it take you to **fill out** all of the directory sites and get **them approved** with the correct information?

WE ESTIMATE
IT WILL
TAKE YOU **142**
HOURS

The Same NAP (Name, Address, Phone Number) Every Time

If you have something different in your address (First vs 1st, Pennsylvania vs. PA, Ave vs. Av, etc), Google assumes they are different businesses and your value is dispersed.

Consistency & Accuracy

Access hundreds of sites at once with the same information.

Permanent Listings

At Yext and Moz Local, listings revert back after you stop paying them! Ripoff!
